

Black & White

Wildlife images without colour offer a more elementary vision of Nature where greater emphasis is placed on line, shape and form. Sometimes the power and subtlety of the subject are revealed in equal measure

Ghost

Canon EOS 7D, EF 400mm f/5.6,
ISO 2500, 1/400sec at f/5.6

**Emmanuel Tardy,
France**

*“After several days
of waiting, the time
has finally arrived*

*as hoped. Facing the sun, the
typical attitude of the bear
approach is underlined
by the light of sunset”*
